How To Actually Succeed In Online Business-Continued!

Rapid Action Profits System and Viral eBooks-are Champions Marketing Tools for Next Level Viral Marketing Illustrated.

Rapid Action Profits System!

Behold, Champion Business Builders

Getting a referral from a **Trusted Friend** about a product or service is just the Best Way to do business and it is becoming the primary way that business is done online now days. Therefore, people are educated about your product or service via a **Trusted Friend** first, then they decide to use and share your product or service based on **Valued Trust Relationships Brethren.**

First place when doing Research about your product or service is, that of using a Product Review from Search or testimony found in Forums and on Sales Pages for items You desire to own and share with others You know and communicate with by permission online.

Thank You again **Brethren.**

*** Some Advantages*** of using **Rapid Action Profits System** in Your Business or becoming an Affiliate with a Site Owner using the Rapid Action Profits System.

Build Up and Motivate Affiliates that are Happy to tell others about your Products/Solutions because they are sharing:

- 1.** High Quality Front End Products and Earning **70% to 100%** Commission for them, paid immediately via their Online Business Account.
- 2.** Affiliates can be paid again on the Backend Product for say, **Suggestion** {Up to 50%} that Vendors, Product or Service Owners could provide using **Rapid Action Profits System.**
- 3. Rapid Action Profits System** is ideal for helping other people getting started online to Gain Momentum in their Business.
- 4.** Allow New Online Businesses to Learn How To Generate Massive

Web Visitors to their Blogs, Website, or Social Networks Online.

5. Discover "[How To Be A Champion Business Builder](#)" Online

and really shorten the learning curve to Gain Momentum.
Giving 10% {to Your Local Church} for God's Kingdom Business,
Thanksgiving to God Our Father is Blessed always...Peace!

6. You could help a massive amount of people get started Online and to improve their Options from [Social Networking](#) Sites all over the web. Maybe just enough for Your Mortgage payments, Automobile Leasing or Monthly Payment, just some Extra Funds for College Students, a Nice Vacation Trip, Freedom Emergency Cash Fund, or even some Necessary Insurance Payments. You know where You can use some extra to Build Your Hedge against any Recession. Most Everyone would or can see the benefits of Saving More for the rainy day and retirement.

7. You Can Use the [Rapid Action Profit System](#) to Improve Your Position and Profits in mostly all Niches to then share the products or services. Remember one of the Major Benefits is that You can have more than just "tire kickers" as You are building better Affiliate and Customer Relationships.
You are Building Your Contact with Proven Buyers and People wanting to Evangelize your High Quality Products and Services.

8. Maybe even a membership Site where Your Affiliates would earn a residual Income for the life of the customer they send that becomes a member of Your Membership Site. You could even, using { [Fresh New-One of a kind](#) } [Rapid Action Profits Script](#) - even use Your Online Business Account to receive Your Commissions immediately after Payment - [Details Here!](#)

Note: You will need an Online Business Account set-up also to be equipped to make and received Payments Online using This Rapid Action Profits Script. It is written to use Integration with PayPal's Instant Payment Notification (IPN) virtually eliminates any worry about fraudulent sales.

in just minutes!

*** Some Dis-Advantages* of using Rapid Action Profits System**

- 1.** You will certainly need to own Your Own Domain. You will need a **registered Domain and Hosting** for the same.
- 2.** You will need an AutoResponder Account { **Such as Aweber** }, this one we Recommend, that You can set-up Unlimited AutoResponders.
- 3.** You will need to be familiar with working with Your Domain Server to Install Rapid Action Profits Script. This is { **PHP** } and a nice job of **Step By Step** Instructions come with this product to Install the Script online. You will create a Database { **IN-Your** } **MYSQL** to run the { **PHP** } or Pearl Script.

Remember You could Outsource the Installation should You Choose. I'm just one that recommends that taking the time to be very familiar will make You better at understanding and to become more efficient at what You do Outsource in this area. Here You will find some "**Crucial Info**" about the Importance of having an INDEX file inside every "FOLDER" inside Your Main Public Folder on Your Domain Web Server.
